Subject: Letter of Recommendation

John:

I just wanted to drop you a note and let you know what a pleasure it was doing business with you.

I remain astonished at the speed with which you were able to find a buyer for my Cherokee Six, and as if that wasn't enough, the speed with which you facilitated the closing of the transaction.

You run a first class operation, and no seller could ask for more out of a broker.

Keep up the good work and thanks a million!
