Re: 2005 Piper 6XT

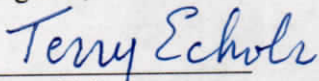

John,

Just wanted to thank you for your help on my 2005 6XT purchase. I will have to commend you on your professionalism and businesslike handling of my transaction. You took a unique buy-sell situation and used great flexibility and common sense to make the deal happen.

The concerns and transparency during the negotiating process made me feel it was just something more than just to close the sale, you wanted to make sure the buyer and seller fully understood each others position, and you did that on the most professional level.

Thank you and I would recommend your services to anyone.

Regards,

Terry Echols
