RE: N6391S Sale

Dear John:

You did a fantastic job handling the sale of my aircraft! Your attention to detail and continuous updates were appreciated. Your ability to close the sale within 20 days of the original listing date was impressive. Thank you for exceeding my sales price expectations.

This is the second airplane that you sold for me. You can count on selling my next one.

Please feel free to use this as a Letter of Recommendation.

Sincerely,

Winfield L. Cooper, III
President
