Dear Larry,

I would like to express my most sincere thanks to yourself and the entire Bartelt organization for orchestrating the sale of my Mooney 201. I found Bartelt to thoroughly professional and extremely competent in all aspects of the activities on my behalf. The level of communication throughout the entire process was very much appreciated, as I always felt informed and comfortable.

Please feel free to use me as a reference for future customers. If I should be in a position to purchase another aircraft in the future, you may rest assured it will be through Bartelt Aviation.

Best regards,
