SUBJ: Purchase of N9840U

Dear John,

We would like to thank you for the service you provided to us in the purchase of the 1976 Grumman Cheetah. The airplane was as described in the pictures and e-mails you sent for our use. This was important to us when purchasing an airplane located 4,000 miles away from our home.

We also appreciate your knowledge in dealing with the bill of sale when one of the previous owners was deceased.

I can enthusiastically recommend your service to anyone who is buying an airplane. I am 100% satisfied with the process incurred when purchasing our airplane from Bartelt Aviation, Inc.

Thank you,

DAVID G. HEUSSER
