Dear John:

I want to express my sincere gratitude and admiration for the superb manner in which the recent sale of my Piper Saratoga was handled. From start to finish, virtually every aspect of the deal reflected your professional competence and high personal integrity. I wish I had placed the sale of the plane in your hands from the beginning. I would have saved myself much time and money.

Please thank the other members of your organization who helped make this transaction go as smoothly as it did. You have every right to be proud of them.

I'll stay in touch as my plans for another airplane take shape. I look forward to dealing with Bartelt Aviation again!

Sincerely,

Michael G. Roche
