John:

I would like to personally thank you, Larry and your mother for the fantastic hospitality. Second, if it were not for you, your business ethics and savvy, Clark and I would not be the new proud owners of a beautiful Saratoga. Thank you so very much for putting up with us throughout this process, It was also great to get to know you on a more personal level as we continually poked fun at each other. I would like to be considered as a reference, and in the future will send some pictures along with a testimonial of our storied couple of days at Bartelt Aviation Inc. Thanks again.

Respectfully:

Clark and Scott:

Attached is a copy of your insurance binder from LL Johns. I would like to thank you for allowing me the opportunity to earn your business. I am glad the airplane brought us together because I now have two new friends. Let's stay in touch and plan to get together from time to time.
