Larry,

I just wanted to send you a quick note thanking you and everyone at Bartelt for an amazing experience in selling my Archer II. From the beginning the service was outstanding and best of all you found a buyer quickly. Your staff pilot, Darwin, was first rate and went out of his way to keep the expense of relocating my plane to Michigan as low as possible. There were absolutely no hidden fees...which I really appreciate and the settlement took place faster than I could have imagined. Best of all you did all the work and made it a painless event for me.

Should I need to purchase or sell again you have my business.

Sincerely,

Ted Sparks
