Thanks for the compliment Wayne. I have also enjoyed working with you. This was our 403th Saratoga sale.

John,

I just wanted to send a word of thanks to you. Calling you is the best thing I could have done in my situation. I didn't really have the time to advertise and show the aircraft to sell it. I needed a buyer and you knew where one was! WELL DONE! Pass it on to your sales team.  
Thanks again.

Best Regards,  
Wayne Batte

P. S. What number is N9293Y in saratogas sold for Bartelt Aviation? Just curious.
