SUBJECT: Recognized School Training

Thank you for forwarding to us the training syllabus for Bartelt Aviation, Inc.

AIG Aviation does not specifically approve or endorse any particular training facility. We do, however, maintain a reference library for the benefit of our underwriters when they are requested to authorize training at a particular facility on a specific insured.

We are pleased to add your information to our reference library for Piper PA46-350P and PA32R-301/PA32R-301T training.

If you have any further questions do not hesitate to contact me.

Regards,

Leigh Beck
