Dear John,

Allow me to commend you for your professional brokerage service concerning the recent acquisition of my Piper Saratoga N8178Y. As a first time aircraft buyer I felt fully informed and prepared for purchase due to your direction and assistance.

Timely follow-through and prompt attention to detail is very important in my business. I was pleased that you feel the same as demonstrated by your service during and after our transaction. I look forward to working with you again in the future. Thank you.

With kindest regards,
