To whom it may concern,

It was a pleasure and a great experience to deal with John at Bartelt Aviation. The purchase of my Cherokee six was smooth and uneventful with no unpleasant "surprises" surfacing post transaction. John was honest, very helpful and extremely professional about the sale of the aircraft. He is knowledgeable about these planes and it is very apparent that this company is customer oriented. I'm very satisfied with my out-of-country purchase. Thanks for the great service rendered John.

Sincerely,
