Bartelt Aviation Press Release

Bartelt Aviation completes construction of a 10,000 square foot Hangar

Sturgis, Michigan, November 13, 2002 - Bartelt Aviation announced the completion of their new 10,000 square foot state of the art heated hangar facility.

This facility includes the following outstanding features:

- 16,000 watts of lighting
- White Epoxy Floor
- Heated Showroom
- 72 x 18 Foot Schweiss Door – (Accommodates aircraft up to a King Air 200)
- Steel Construction

“This is an exciting time for the company and our customers. This facility allows the aircraft shopper the opportunity to inspect the aircraft of choice in one of the most modern facilities in the world.” States John Bartelt, President of Bartelt Aviation, Inc.
