

above
the clouds™

where kids take flight...

On the Front:

Mason has Leukemia and has spent a great deal of time in the hospital recently. On Dream Flight Day he was able to leave his worries behind and soar "above the clouds!"

thank you... John,

What an amazing season we had at Above the Clouds! We flew 30 Dream Flyers, and, including all the passengers, 104 people had the Dream Flight experience! Additionally, our first Cadet Flyer is getting ready to solo. Next year we will be expanding the program by running 45 Dream Flights and adding 6 new Cadet Flyers. We could not be doing any of this without your
Thank You! incredibly generous support.
