Subject: Merry Christmas

Dear John:

As Christmas approaches I begin to reminisce about the past year, and all the things that have happened in my life. I always remember the friends I have, both old and new, along with the life adventures of the past year. I just wanted to take a minute to say that I appreciate our friendship both personal and business.

We first met about 3 years ago, when I was looking to upgrade my aircraft. Since then you have actively brokered several aircraft for me, and provided maintenance service when needed. I have always found you to be open, honest and knowledgeable. The guidance you provided in maintaining the aircraft has been 2nd to none in my experience.

You run a great operation and should be very proud of your success. Wishing you a Merry Christmas and a Very Happy New Year.

Sincerely

Dennis Mikel
