Dear John,

I appreciate your professional handling in the sale of my Cessna 310Q. I had tried to sell it on my own and you would not believe the kind of people I had to deal with. It was such a pleasure doing business with you and not having to weed out all the tire kickers. Our original conversations with you, led me to believe that you handled your business in a professional manner and that you were a person to trust. I was right.

I know it was a difficult task to sell the 310 considering our current economy but it turned out ok. The best part of dealing with you was that you always kept me informed in a timely manner, I really liked that part of our transaction. If you ever need to use me as a reference please feel free to do so.

Thank you for all the work you've done to make this sale a smooth transaction.

Thanks Again
