Subject: Thank you

John:

We just wanted to take a moment to let you know how much we appreciate your hard work on selling our plane. Thank you! We could not have asked for a better result.

We can't thank you enough for the invaluable advice and the uncompromising quality of your work keeping us safe over the years. It has been a great pleasure getting to know you and your family, and doing business with you. We look forward to many years of continuing friendship going forward.

If you are ever down this way, please look us up, and we'll do the same if we're up that way!

Have a great weekend!

Phillip, Wes and Margaret
