Dear John,

Thank you for your help and attention securing an aircraft for my client. Working with you began with search results to your website. Once there, I was able to get much of the information that I needed to narrow my search to the Saratoga you were offering. Especially useful were the pdf links to the logbooks. As a former broker myself, I appreciate your quick responses with useful information and answers to my questions which made the process easy and as quick as I needed. I look forward to working with you in the future.

Thanks,  
Tommy
