Mr. Bartelt, John

At the end of the process of selling my airplane, I would like to thank you from the bottom of my heart for the dedicated professional care you gave me from a distance despite all the obstacles that were on the way. I knew in my heart that I would leave the job with fair hands that would do everything possible to succeed. You have acquired a true friend overseas who is waiting to host you in Israel on the first opportunity to decide to reach our impressive Holy Land.

I am promising to come and visit you on my first chance. And again, thank you very much.

Yours in deep friendship

Rozenboim Avi
