Subject: HAPPY NEW YEAR / LETTER OF RECOMMENDATION

Hi John,

My letter of recommendation, sincerely felt:

I have owned Piper products for 10 years and due to a change in my mission; I wanted to purchase a TKS equipped airplane. The different options were quite overwhelming and John Bartelt was instrumental in educating me to ensure I selected the right airplane. I ultimately bought Cirrus; which was an aircraft I knew little about.

John's knowledge and facilitating abilities with owners, mechanics and dealers made my purchase successful. John is a knowledgeable and honest aviation businessman. I am grateful that he helped me select the right aircraft.

I would highly recommend John's services to anyone who wants to make sure they make the correct purchase decision. Having John watch out for my personal interests truly benefit the acquisition of my aircraft.

Regards,

Claudio
