Subject: Thanks for your help

John,

Now that we are closed on the purchase of our Piper 6X, I wanted to take the time to thank you for , not only for your help, but your professional expertise throughout the entire process from negotiating the purchase agreement, pre-buy inspection to insurance and close of escrow. I have really appreciated the fact that you walked me through the process with recommendations on with whom and where we could save money on the few items that needed to be repaired or replaced.

There is no question, that if we decide one day to move into a different aircraft, you will be our first call.

Thanks

Foy Tatum
