Subject: Re: N682KJ Update

John,

As you know I just completed the transaction on N682KJ. I wanted to thank you and your organization for the professional manner in which everything was handled. Your representative, Larry Russell, is very knowledgeable, helpful, and a pleasure to work with. As my aviation needs change I will definitely call on Bartelt Aviation.

Regards,

Jim Moffatt

Jim:

This is confirmation that Pat has authorized escrow to release the funds to you for the autopilot repairs.

Regards,

John Bartelt
