Subject: Thank You

John,

I wanted to drop you a note and say how much I appreciate all that you and Bartelt Aviation did in such a short time and extremely professional manner to sell my airplane. Everything you and your team did was exactly what you said you were going to do. You kept me updated and your professional guidance in the selling process was superb.

Many thanks to you and your team and I would highly recommend your company to anyone with airplane procurement or selling needs.

Thank you John!
