Bartelt Aviation recently brokered our airplane resulting in a successful sale. Darwin was our sales representative and was extremely pleasant to deal with. John Bartelt handled the paperwork very efficiently. This was a great experience for all involved. The transaction was handled in a highly professional manner. All our phone calls and questions were answered right away. We used Bartelt because of their reputation for honesty and integrity and would not hesitate to call on them again.

Sincerely,

Marc & Barb Engleright
