Hello John,

Merry Christmas to you and your family as well. Glad to hear I have reached a new status level...somewhat like Diamond Medallion with Delta. Your honesty and integrity along with a keen insight into the aircraft market has been the catalyst for repeat business. You have certainly earned my business. This is likely the last aircraft that I will have....perhaps!

Mike,

Merry Christmas to you and your family. I would like to thank you once again for the various aircraft acquisition and brokerage consulting opportunities you have allowed me to have over the years. You are good friend and are very much appreciated.

Best Regards,

John Bartelt
