RE: Bartelt Aviation, Inc. superior service

To whom it may concern:

I recently had the opportunity to use the services of Bartelt Aviation, Inc. for the purchase a Piper Saratoga on the used market. John Bartelt and his team provided me with an outstanding level of service before and after the purchase to include supplying me with an electronic version of the log books, a pre-buy inspection, and transporting the aircraft to my home airport. Pilot instruction was also offered to acquaint me with the airplane.

The Saratoga was delivered clean and neat with all log books in good order. All aspects of the purchase experience were very professionally performed.

I highly recommend Bartelt Aviation as a provider of superior service for the sale of aircraft, especially the Piper Saratoga.

Sincerely,
