John, I did not expect this whole process to be so pain free. I would have to say the service you provided really made it great for me the buyer. I will definitely be referring people to you with buying and selling needs.

Thanks,

This is confirmation that I receive the original release of lien. Today I Federal Expressed the documents to the FAA for filing. Today, I Federal Expressed Mike's proceeds.

It has been an absolute pleasure working with both of you. Thank you for choosing Bartelt Aviation for brokerage consulting services. I look forward to serving both of you in the future should the opportunity present itself.
