RE: N312SF Sale

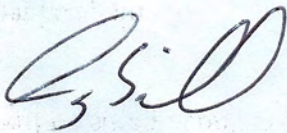

Dear John:

Thank you for your assistance in the recent sale of my Piper Seneca V. Your insight on the market and advice on managing the sale was very helpful to me. As promised you delivered an exceptional result within a reasonable time frame at the highest level of professionalism.

I will be sure to contact you in the event I am in the market to buy or sell an aircraft.

Thanks again.

Sincerely,

Thomas J. Gill
