Excellent service.

Dear John,

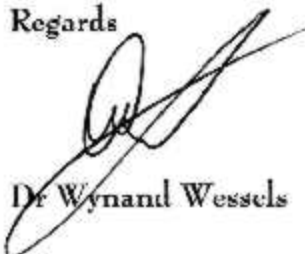

I have to commend you and your staff on the excellent service provided during the purchase and export process of the 1981 Piper Seneca N344PC.

The honesty during the transaction is hard to come by these days. All questions were promptly answered and if unsure adequate research was done before providing any information.

The after sales service has been impeccable. The few items of concern were handled promptly.

I hope to again use your services in the future for any aircraft purchase in the USA and will feel comfortable referring any prospective buyer to you.

Regards

Dr Wynand Wessels
